

Turriff Primary School

School Closure Learning Activities for Primary One

Please find below some suggested activities to do whilst you are at home during any school closure days this session. Choose which activities you can do and remember to take photos so you can share once we are back to school. Wrap up warm and stay safe!

Suggested Activities

Outdoor Activities

- Create an exercise routine for you and someone at home. Can you use exercises to spell out your name?
- Find materials outdoors, (for example: stones, sticks, leaves) to make a symmetrical pattern.
- Take a walk outside, how far can you get in 10 seconds? Can you count 10 things you can see?
- Phonics walk – can you spot any of the sounds we know already? Maybe even have a go at writing your common words outdoors with some chalk.

Indoor Activities

- Build a fort with cushions and blankets then read your book to someone at home.
- Use flour, rice or shaving foam to write your sounds.
- Go on a scavenger hunt around the home, how many of each object can you find? Use your number knowledge to 10 to help you.
- Keep a weather diary, what does the weather do on each day? Draw a picture of the weather you can see.
-
