Suggested Activities

Outdoor Activities

Make your common words from natural materials e.g., stones/twigs/leaves.

See if you can spot any tricky words in shops that you know.

Can you see any words which have the sounds we have practised this term for example 'High Street' or 'No through Road' or 'Autocare Turriff'?

Go on an odd or even number hunt.

Go for a walk in your local area. What signs of the season you are in can you spot.

In your garden see how many living things you can spot and how many non-living things you can spot. You could write a list, draw them, or ask an adult to take photographs.

Practise your common words, and any sounds we've had this term.
