

## Turriff Primary School

### School Closure - Remote Learning Activities for P5

Please find below some suggested activities to do whilst you are at home. Choose which activities you can do and share any learning in your homework jotter which you should take in on your return to school.

Any issues please email [turriff.sch@aberdeenshire.gov.uk](mailto:turriff.sch@aberdeenshire.gov.uk)

#### Suggested Activities

##### Outdoor Activities

*Get Creative* – At this time of year, the ground is full of natural materials to create some natural masterpieces with. The forest floor is filled with brightly-coloured fallen leaves, twigs, seeds and conkers, so grab a few bits to get crafty with. You could even gather fallen leaves in your garden with a rake or pick them up (wear gloves!) and make a leaf maze.

*Get Active* – Try to spend at least 30 mins a day outside playing, doing an activity you enjoy, or helping with some gardening or clearing up. If you can't get outside try to complete a PE with Jo session, there are many to choose from.

##### Indoor Activities

Visit the space website below to create your own space rocket by upcycling cardboard tubes. Can you think about the features your space rocket would need? Create a poster to go with your design explaining why it is so special.

Draw a Map – Draw a map of the rooms in your house or of your local area. Include interesting landmarks or objects. Perhaps you could turn it into a treasure map and write some clues. Can someone else solve the clues and work out 'where' the treasure is hidden.

Maths – For Sumdog, log in using the username and password that has been provided on the parent letter. Assignments will be posted as appropriate.

Spelling – Focus on the current spelling list. Refer to table headings for corresponding weeks and spelling rules. Choose a different spelling task each day from the spelling matrix provided (alternatively, follow your own activity).

Reading P4-7 classes, please continue to read your Accelerated Reader Book or reading books sent home. Don't forget to bring them back into school with you when you return.
