**P6/7
Miss Smith**

Happy. Respecting. Achieving.

Class Timetable

Monday	P.E
Tuesday	Miss Jones am. Homework Issued
Wednesday	
Thursday	P.E
Friday	

Learning this Term

Literacy

We will continue with our guided reading this term although we will move on to shorter texts after our novels are finished. Pupils will continue with 20 minutes of Accelerated Reading daily in which they will read a book of their choice. For writing we will be looking at setting our own targets after reviewing our work. We will also read Holes and complete some tasks based on this. The P7's will be using our listening and talking to skills to plan and deliver our Leaver's show at the end of term.

Maths

Numeracy this term will start with Money and Information Handling before moving on to measure, recapping number work and problem solving.

Learning across the Curriculum

Term 4 for P7's focusses heavily on their transition from primary to secondary. The second half of the term will fly by as we plan and prepare our leavers show and do our step up week at Academy. P6's will focus on the Opera and Healthy Eating We will also be covering progression 2 of the Relationships, Sexual Health and Parenthood Resource.

Further information on this can be found at <https://rshp.scot/second-level/#informationforparentsandcarer>.

In P.E we will focus on racket games. We will also be practising for Sports day on a Thursday with P7A.

Homework Arrangements

Homework this term will follow the same format as term 3. Homework is issued on a Tuesday to be handed in the following Monday if you wish for it to be marked.

Notes

Children are encouraged to bring their own labelled water bottle to have easy access to water during class time.
