Learning in Term 4

Health and Wellbeing

This term we will be continuing to use the Aberdeenshire SCARF resource for Health and Wellbeing lessons. We will also cover Relationships, Sexual Health and Parenthood outcomes using the Scottish Government RSHP website resource. P7B will be doing fitness and athletics for PE, plus preparation for Sports Day. Later this term we will take part in bat and ball sports such as rounders.

Literacy

For Literacy this term children will complete various writing pieces, often related to our class novel 'Wonder' by R.J. Palacio. The book is a great resource for P7 as it explores such topics as moving school, bullying, peer pressure and more.

Numeracy

This term, we will be outcomes not yet covered in P7, such as coordinates, symmetry, number patterns and volume. We will also cover key number skills as often as we can, plus revise and revisit all P7 topics before Academy.

Other Curricular Areas

This term, the P7 topic is 'P7 Leavers', which involves preparation for P7s next stage in school as they move to Academy. At the end of term, we will have the P7 Leavers Show (2nd of July at 6pm), which the P7s will plan and organise. The Dalguise trip is also imminent, and I am sure the children will get a great amount from this, or from a relaxed and enjoyable week at school.

Homework

Homework will be issued on the Tuesday of each week and can be returned the following Monday in your child's homework jotter, paper or emailed to Mr Swan on Glow. Homework will comprise of maths, spelling and reading. Homework has been emailed to parents. A reminder that homework is not issued on short weeks.

Notes

As parents may be aware, I will be absent from school for 2 weeks for paternity leave. All children are aware of this. I am very much looking forward to meeting our new arrival and am sure P7B will enjoy a break from me too while I am off! Mr Swan
